## Goober Baby

helps organize the essentials with the handy Tote Bag. Designed for the modern mom, this stylish and functional bag has a clear vinyl front that helps keep you organized for those journeys out with your baby or toddler. Use it for snacks, toys, or your babe's favorite must have items like that pacifier you just can't leave home without.

## Radian Premier

car seat offers the safety and performance of a 5-point harness from birth to 65 lbs. Features side impact protection, 5-harness positions, 3 buckle positions. With a steel frame, it's narrower on the outside so it fits three across in a car. Adjustable head and body support. Available in 4 color combinations. And it folds flat for travel!

Available in independent baby stores across Canada.
